### INDIVIDUALS WHO HAVE SIGNIFICANT CONTROL OVER THE CHARITABLE COMPANY

In accordance with the Small Business, Enterprise and Employment Act 2015, the Academy Trust has considered whether or not there are any individuals or legal entities that have significant control over the charitable company.

In doing so, it notes that the Academy Trust has four members, which effectively means that no one person has voting rights in excess of 25%, and that the Trust's directors are generally classed as excepted roles.

*The Academy Trust is satisfied that there is no such registrable person or legal entity in relation to the charitable company.*
