PSHE: Aspirations ,similarities and differences.

Year 3/4

Theme: Cultural Appreciation

Autumn Term A

What should I already know?

Year 3

Listen and show consideration for other people's views. Beginning to prioritise actions and work independently towards goals. Recognising and managing different relationships.

Year 4

Recognising and managing healthy relationships between friends. Becoming more self-aware and taking the lead by showing consideration to others.

Application of Knowledge

- Children will know how to turn their weaknesses into strengths.
- Through setting future goals, children will see the links between current strengths and how these can become building blocks for their future.
- Children will be able to break down goals into achievable steps, by doing this they will see the link between what they are good at now and their aspirations.
- Through discussion, children will see why it is important to try new things.
- Through drama, the children will explore the differences between bullying and teasing and how to find solutions.

What I will know by the end of this topic

What is the purpose of family? To provide love, stability and structure.

How do family setups differ? All families can be different shapes and sizes.

Name 2 things you do now that can affect your future. Eating a balance diet, keeping fit, studying, saving money.

What is the importance of self-assessing? To identify our strengths and weaknesses and find targets

What is the meaning of diversity? To be inclusive of all individuals from every background.

What is the difference between an unkind act and bullying? Bullying continues for a long period of time and occurs more than once

What is the difference between an unkind act and bullying? Bullying continues for a long period of time and occurs more than once
